

ACORNS K-5 grade

Acorns K-5 "We're nuts for Jesus!"

The future of our world rests in the hands of our children, but it is our job to properly prepare them for the challenges ahead. One of Oaklawn's most important goals is to build a generation of kids that sees its potential in Christ. That is why we offer age-appropriate activities and relevant learning experiences taken directly from God's Word.

Our church is fun for kids, and that is why they can call it home! Some of our fun stuff... Wednesday night CIA (Children In Action) Monthly outings (Incredible Pizza Factory, fishing, singing at the nursing home, etc.) Children's Church
